### Achieving this qualification

In most qualifications, each learner will create a portfolio of evidence which may be drawn from actual or simulated situations, which demonstrates achievement of all the learning outcomes and assessment criteria associated with each unit. On completion of each unit learners must declare that the work produced is their own. The main pieces of evidence for the portfolio could include:

- Assessor observation – completed observational checklists and related action plans
- witness testimony
- learner's proof of work
- worksheets
- assignments/projects/reports
- record of professional discussion
- record of oral and written questioning.

### Entry requirements

There are no specific recommended prior learning requirements for these qualifications. This qualification is suitable for learners aged pre-16 and above, although it is recommended that learners should be aged at least 14.

**Start date** Ongoing

**End date** Varied

### Mode of study

A variety of teaching methods are used, dependent upon unit content and learner preferences.

**Course duration and Fee**
