### Level 1 Certificate in Introduction to Health and Social Care (Adults and Children and Young People), Early Years and Childcare (Wales)

QRN: 601/5364/7

#### Objectives of these qualifications

These qualifications are aimed at learners who wish to develop an understanding of these settings before deciding whether working in the sector is for them

- allows learners to gain the knowledge and understanding required for employment and/or career progression in the sectors
- provides opportunities for the development of transferable skills
- supports progression to Level 2 qualifications in health, social care or children's settings
- provides learners with the opportunity to progress to employment, in due course, in a range of job roles in the care sectors.

There are two main types of learning outcome:

- **Skills** that can be performed
- **Knowledge** that can be learnt.

Sometimes they can cover a combination of the two.

#### Design course: Introduction to Health & Social Care (CYPW/EYC)

#### HSCACYPEYCL1C/IHSC

#### Rules of combination
