NCFE CACHE Level 5 Diploma in Leadership for Health and Social Care and Children and Young People's Services

This qualification provides learners with the skills and knowledge needed to manage practice and lead others in adult health and social care provision or in children and young people's services. It has five pathways and covers a wide range of topics including:

- Safeguarding and protection
- Developing and implementing policy
- Managing care services, change programmes and recruitment
- Promoting and developing best practice
- Supporting development and partnership working
- Care management
- Quality systems and improvement

In order to take this qualification you will need to be working in the role of Deputy or Manager in an appropriate setting, or have the opportunity to carry out responsibilities associated with these roles. It is also recommended that you hold a Level 3 qualification or above in a related area.

Qualification structure

The Residential Services pathways are aimed at learners in similar job roles as those taking the Management pathways but the focus is on management and care in residential settings.

The Management pathways are most suitable for Assistant Managers and Deputy Managers working in day or domiciliary services who are looking to progress their career. It is also appropriate for Managers who have not yet achieved a vocational qualification at this level.

The Advanced Practice pathways are geared towards senior practitioners who would like to develop their career but wish to remain active practitioners within the management framework. About this qualification
